Thinking of publishing with the National Law Review?

You've invested hours of valuable time doing the research and writing—now let the National Law Review help you reach the right audience at the right time. Over 1,775,000 legal and business professionals read the National Law Review each month.

To maximize the exposure of your thought leadership, the National Law Review:

Uploads your thought leadership and author profiles into proper **HTML**, optimizing your content for enhanced **Search Engine Optimization**.

Publishes your thought leadership on a time-honored legal publication. New content publishes hourly to our legal news homepage.

Broadcasts your thought leadership via **Facebook**, **LinkedIn**, **NLR's main Twitter account** and various industry-specific Twitter accounts around the clock.

Circulates your thought leadership to our **130,000+ legal update subscribers**.

Distributes your thought leadership to professional associations and other publications through partners such as **Google News**, **MSN**, **LexisNexis**, **Thomson West Reuters**, **Findlaw**, **BNA**, **Yahoo News** and **Bloomberg**.

How working with the National Law Review impacts you:

Turnkey – NLR professionals do the formatting and distribution of your content and minimize the work for you

Control – You retain your copyright and control your message while broadening your reach. Your NLR content integrates seamlessly with your organization's existing branding.

Visible – The NLR is one of the widest read on-line legal publications in the U.S. Our goal is for your content to be found quickly by legal consumers looking for your expertise.

Measurable – You have real-time, actionable data about your article's readership through robust online analytics.

Immediate – The NLR publishes quality content around the clock. Your organization can edit your content or remove your content at any time.

Value – The NLR will fit within your organization's publication or marketing budget. 95% of our law firm publishers renew their firm's annual publication subscription
